Sale # Island

Sale date

TODAYS SALE : C09 SI Thursday / 29 August 2019

COMPARED TO : C07 SI Thursday / 15 August 2019

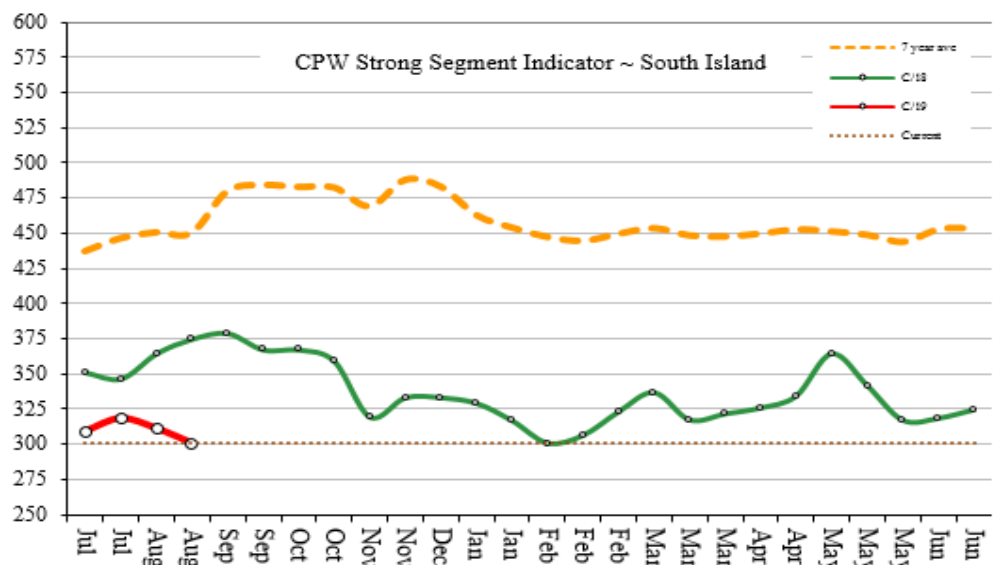

The Wool Market continues to be dramatically affected by Chinese absence and the Trade issues with the USA. With the continued drop in the Australian sales by up to \$1 every day uncertainty amongst end users and exporters is becoming a major concern. With Mid Micron types and Merino wools coming on stream there is concern where this market will level out. Crossbred wools continue to be a struggle with good pre lamb wool struggling to fine strong competition.
